PROSPECTUS.

1. Branches of study :—

The school at present imparts instruction in the Principles and Practice of the following :—

- | | |
|--|---------------------------|
| 1. Management and Care of Steam and Oil Engines ... | } Mechanical Engineering. |
| 2. Management, Care and Erection of Machinery and Mill-work. | |
| 3. Care and Driving of Motor Vehicles ... | |
| 4. Electrical Work including Operating ... | Electrical Engineering. |
| 5. Carpentry and Cabinet-making. | |

The course will extend over three and half years in the case of branches 1, 2, 4 and 5 and two and half years in the case of branch 3. After the two years' training in the school, the rest of the course will be spent in Engineering Works, where large undertakings are in progress, and in recognised Workshops, Power Stations and such like.

(N. B.—It is, however, well to note that the practical training forms a very large and important part of the course and those who are not prepared to take their full share of it are not advised to apply.)

2. Each year the session commences on the 1st Monday in July and consists of two terms, the first ending with the Christmas holidays and the second with the close of June following.

3. The number of students that can be admitted each session will, for the present, be 75, of whom 25 may be from outside the Province.

4. The outside candidates will be admitted on paying a fee of Rs. 3 per mensem and a sum of Rs. 20 per annum for workshop practice in advance. All students should provide themselves at their own cost with text-books, note books and the necessary drawing instruments.

5. Workshop Tools, Drawing Boards, T-squares and Set-squares will be provided by the school. Each student is to deposit rupees ten as security against breakages, etc., which will, however, be returned to him at the end of his course, after deducting the dues, if any, outstanding against his name.

6. Twenty scholarships, each of the value of rupees eight per mensem are available to Mysoreans. While out of Bangalore on Practical Training, the students may get a subsistence allowance.

7. Applications for admission to the school, which shall be in the candidate's own handwriting, must be sent to the Superintendent of the School, so as to reach him on or before the 10th June, on forms which can be had from him. The application should be accompanied by four certificates, (1) Certificate of Age from the parent or guardian that the applicant is between the years 15 and 18, (2) Certificate of Character from the Head Master of the School in which he was studying last or from any Gazetted Officer of Government, testifying to his general good behaviour while in the school, (3) Certificate of having passed at least the Mysore Lower Secondary Examination in English or other certificate of possessing that standard of qualification, and (4) Leaving Certificate.

8. A list of the selected candidates will be put up on the Notice Board of the School, on or before the 25th of June every year, and the selected candidates will also be informed separately.
